Anne Sophie and her teachings are blessed by the wisdom spirits of Padma Sambhava and Yeshe Tsogyal. Anne Sophie's very strong karmic connection to Dakini Yeshe Tsogyal clearly manifests in the work and the teachings she does.

Anne Sophie has accomplished the auspicious task of building Taktsang Denmark, a spiritual center with a stupa for Dharma teachings in Denmark. She has successfully translated essential aspects of the Dharma teachings into a Western context providing true inspiration and help for many people in the West. Under Annie Sophie's guidance and instructions, thousands of her students have developed immensely - personally as well as spiritually. Furthermore, she has done important work for spiritual collaboration across borders and religions enhancing world peace.

Anne Sophie has also started great altruistic projects for the nature, the society, children and the weak and vulnerable. Taktsang Denmark is now flourishing and the Dharma is spreading from there. With deep appreciation and prayers, may Dakini blessed Anne Sophie have a long life, free from obstacles and continue to uphold and propagate the blessings of Yeshe Tshogyal in this modern times.
